EXPERIENCE

Marlon Bailey, iAdoreThis.com
(currently in development)
Aug 07 – Aug 07

Website & Logo Designer, Illustrator

Full Layout design of the website, including logo, template & buttons, with an emphasis on originality and user-friendly interface elements and colors.

"Haiku", Music Band,
Fort Lauderdale, FL
Jun 07 – Aug 07

CD Layout Designer, Illustrator

A complex collaboration of both photographic imagery & digital illustration for a music CD package. The design required understanding of various CD package formats, photographing band members, proficiency in Photoshop and Illustrator and following specific instructions effectively.

iChameleon Group,
Hollywood, FL
May 07 – Jun 07

Concept Digital Artist, Illustrator (single project contractor)

A high-end web development agency, Client: Sci-Fi channel. Work included the development of six conceptual designs of comic book superheroes with a large variety of accessories & styles. The design required very detailed & dynamic conceptual designs, a vast knowledge of Adobe Illustrator, the ability to match deadlines and client expectations & teamwork.

Masha Malka, author of
"The One Minute Coach", Spain.
Sep 06 – Nov 06

Book Illustrator, Layout Designer

Was commissioned to create 54 stylized B&W illustrations using Illustrator primarily. In addition, a full redesign of the book's original layout was also requested halfway through the progress. The client (author) was very pleased with the high quality of work and my understanding of what the client exactly wanted.
